DECLARATION FOR PATENT APPLICATION

I, Ger Van den Engh, hereby declare:

I am a citizen of the Netherlands and that my residence and mailing address is 9756 49th Avenue NE, Seattle, Washington 98115.

I believe that I am the original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled High Speed Flow Cytometer Droplet Formation System the specification of which is enclosed herewith.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Ger Van den Engh
